PROFESSIONAL LEARNING FOR TEACHERS OF APPLIED COMPUTING VCE UNITS 1 AND 2

You're invited to a professional learning session at Swinburne University of Technology, in partnership with the Victorian Curriculum and Assessment Authority (VCAA).

This workshop has been devised for teachers of Applied Computing VCE Units 1 and 2 preparing for 2020, and will be hosted by Associate Professor Therese Keane, Deputy Chair Strategic Initiatives and Partnerships at Swinburne and Phil Feain, Curriculum Manager, Digital Technologies, Victorian Curriculum and Assessment Authority (VCAA).

What you'll learn

You'll explore Applied Computing VCE Units 1 and 2, building your capacity to plan courses and improve your skills in creating relevant assessment tasks. You'll also tour and discuss the "Innovation solutions outcome" at our Factory of the Future.

What you'll be doing

- 8.30am – Registration
- Session 1 – Introduction to why Applied Computing is important
- Morning tea (provided)
- Session 2 – Unit 1 Developing a course, activities, exercises and assessment tasks
- Lunch (provided) plus lab tours
- Session 3 – Unit 2 Developing a course, activities, exercises and assessment tasks
- 3.30pm – Finish
